# TF Mission

To **protect and strengthen our bases** and the jobs and economic impacts associated with them in alignment with the expected assessment criteria to be used by the next Base Realignment and Closure Commission (BRAC).

To **collaborate** with base leaders and their community partners to support the people, infrastructure, and mission needs. The Task Force has a comprehensive approach and **serves as the facilitator** for collaboration amongst all levels of government, industry, and academia to **foster the development of solutions** to challenges, large and small, experienced by our military.

To **promote** the work of the Commonwealth's military installations (and regional defense sector) to Defense Department senior leadership.

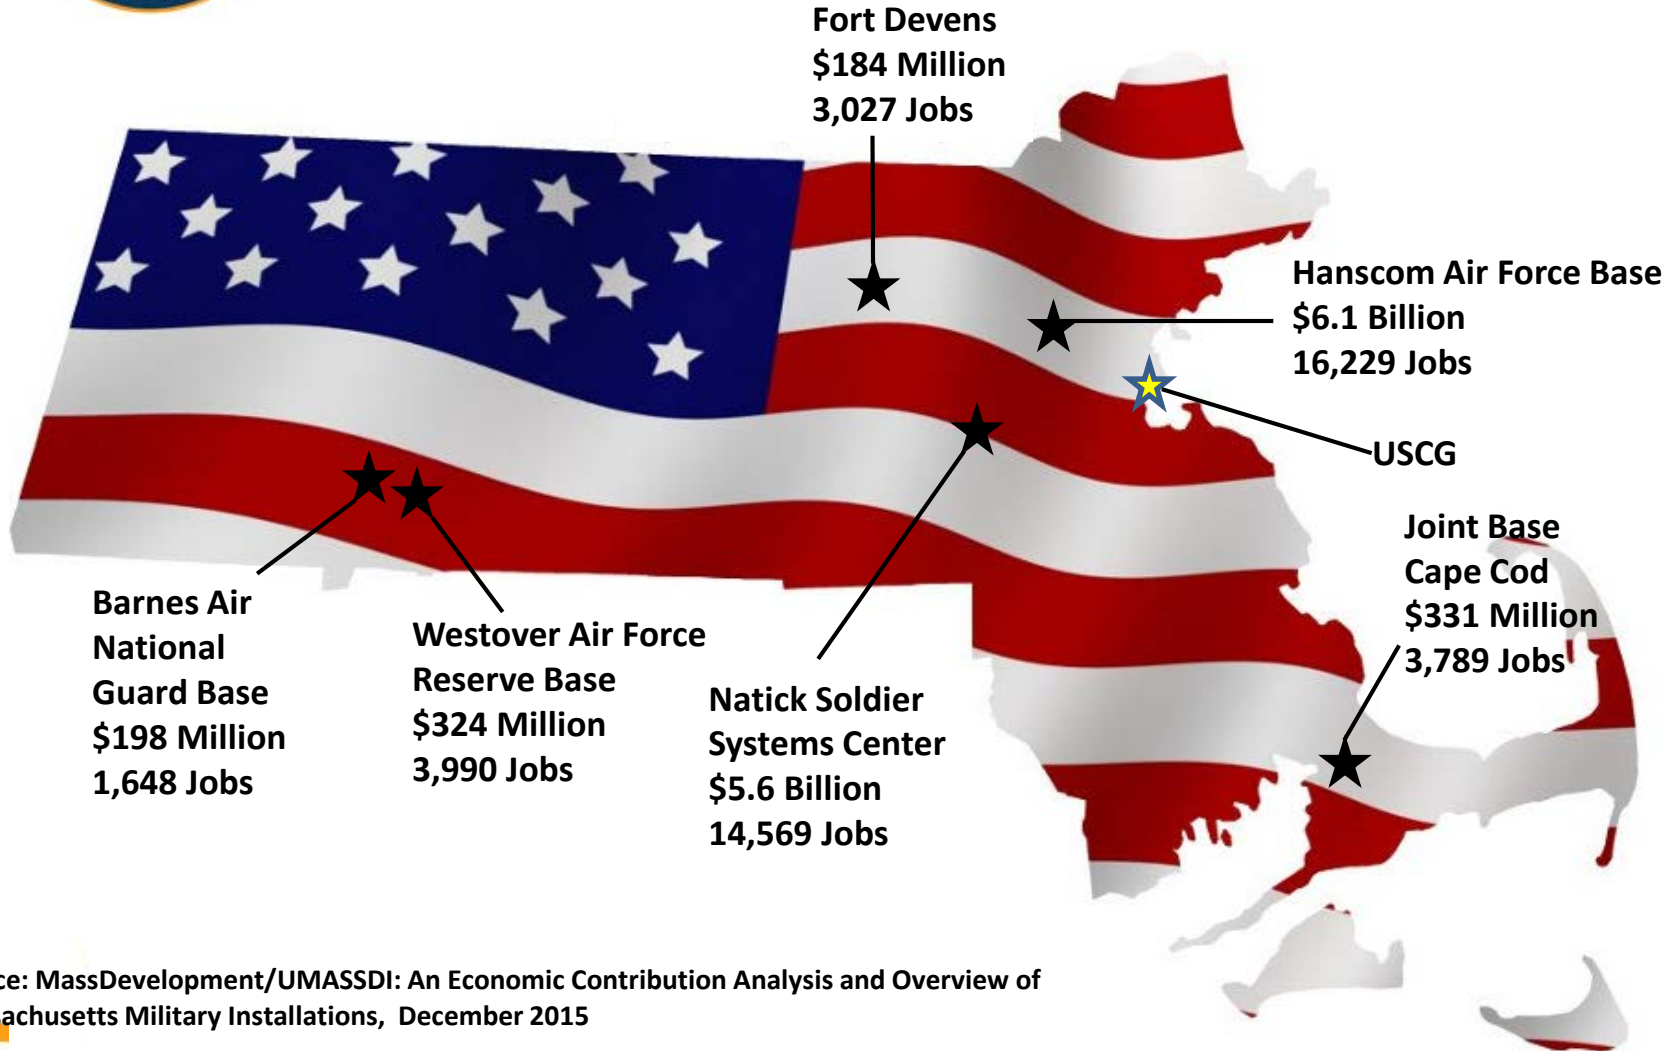

## Chapter 48 of the Acts of 2014

AN ACT ENCOURAGING THE IMPROVEMENT, EXPANSION AND DEVELOPMENT OF MILITARY INSTALLATIONS IN THE COMMONWEALTH. <https://malegislature.gov/Laws/SessionLaws/Acts/2014/Chapter48>

# Economic Impact of Six Military Installations is \$13.3Billion & 57,618 Jobs

# Texas Military Value Revolving Loan Fund (TMVRLF)

The TMVRLF is designed to:

- Assist defense communities in enhancing the military value of a military facility in their area.
- Provide financial assistance to defense communities for job creating economic development projects that minimize the negative effects of a defense base realignment or closure decision that occurred in 1995 or later.
- Provide financial assistance to defense communities for an infrastructure project to accommodate new or expanded military missions resulting from a base realignment and closure decision that occurred in 1995 or later.

See <http://gov.texas.gov/military/loans> for more information

# Defense Economic Adjustment Assistance Grant (DEAAG)

- DEAAG is an infrastructure grant program designed to assist defense communities that have been positively or negatively impacted by a change in defense contracts or announced change by the Department of Defense.
- DEAAG is available to local municipalities, counties, defense base development authorities, junior college districts and Texas State Technical College campuses, and regional planning commissions representing defense communities.
- Grants awarded may range from \$50,000 to \$5 million

# Defense Economic Adjustment Assistance Grant (DEAAG)

- DEAAG was funded by the Texas Legislature during the 84<sup>th</sup> Legislative Session (Spring 2015) for FY 2016-2017
- \$30 million (FY 2016 – 2017)
- Awarded in two rounds to 9 grantees
- Currently in the House budget for \$28+ million
